

Helping others in need is one gift we can all give during this holiday season. With your help no one needs to go cold this winter.

Donations of new and gently used winter items such as coats, gloves, hats, scarves, blankets, heavy socks, sleeping bags, tarps, etc. are being collected at various location throughout the Lehigh Valley. All items will need to be sorted and organized for distribution. Sorting will be done in heated office space within the large warehouse.

Volunteers are needed to help  
at 1866 Auburn Street in Bethlehem, 18015
